

**Follow The Numbers**

“Every Bay Area County is Aging Faster than the US.”

(Source: San Jose Mercury News, June 2023)

Our population in the county is expanding and aging faster than the overall population.

There was a 36% increase in the number of seniors 65+ (from 2019 to 2022) seeking homeless prevention services (e.g., crisis response, prevention & diversion, permanent housing.)

(Source: Contra Costa County Continuum of Care Health Housing and Homelessness Services 2022 Annual Report)

“Contra Costa County has the highest rate of eviction filings of any Bay Area county.”

(Source: San Jose Mercury News, August 2022).

“The population over 65 in Walnut Creek is 29.5%, and 17.5% county-wide, compared to 16.8% nationwide”

(Source: Census.gov)

The Annual Point in Time Count of Homeless in Contra Costa 2023 revealed close to a third (29%) were aged 55 or older. Total Homeless Count = 2,372

(Source: cityofconcord.org/2023FinalPI Tinfographic.pdf)

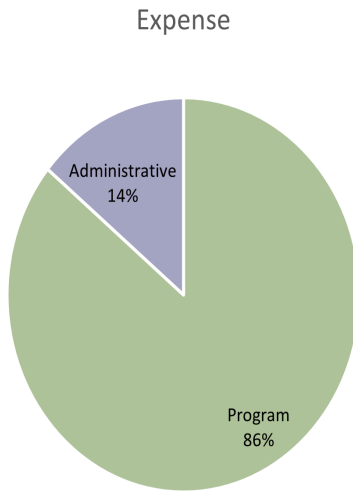

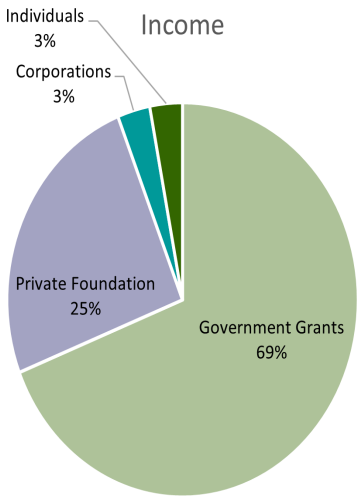

People are being displaced from their homes based on the escalating eviction rate as well as the growing demand for homelessness services by older adults.

**The need for Contra Costa Senior Legal Services**

work focusing on eviction prevention and housing preservation are needed more now than ever before for our oldest and poorest residents of Contra Costa.

**Highlights**

We opened 867 legal cases.

Our partners say, "CCSLs has created an amazing program that our community greatly benefits from. Clients that have gone through the program are immensely grateful and CCSLS makes it easy on us to host the clinics."

Our 20 volunteers contributed 1,572 hours of service.

**Our clients say:**

The attorney made a big difference. If it wasn't for her, I would have had to move out of my home, and I don't know what I would have done without her.
